NOTE: 1) Speed determined by gps. Fuel consumption based on total usage by the engines. mpg computed from mph & gph; range based on 90% of total fuel capacity. 2) The performance data shown should be considered valid only for the specific boat whose serial number is shown and on the date this test was performed. Many factors may affect the actual performance of this boat or of similar boats. Such factors include, but are not limited to, installation of certain options such as towers and hard tops, vessel loading and trim, weather and sea conditions, engines condition, propeller condition and hull bottom condition. Boston Whaler makes no guarantee whatsoever that this performance will be repeated on this boat at a later date or at any time on a similarly equipped boat.

TOP REASONS TO BUY THE 330 VANTAGE

1

VERSATILITY

The 330 Vantage is designed for a variety of activities, from fishing and watersports to cruising and entertaining. Its dual-console layout provides ample seating and storage, making it a boat capable of spending a full day on the water and going out for dinner at night.

2

BUILD QUALITY

Boston Whaler is renowned for its unsinkable construction and predictable performance. The 330 Vantage features a robust, foam-filled hull that ensures safety and durability, even in rough conditions.

3

COMFORT AND AMENITIES

Weather protection with optional full wraparound windshield or standard half glass windshield. This model offers a range of luxurious features, including plush seating, a spacious cockpit, and a well-appointed portside cabin with head. Optional amenities like a grill, refrigerator, and sunshades enhance the onboard experience.

4

PERFORMANCE

Equipped with powerful standard V8 Mercury 300 HP engines or optional V10 Mercury 400 HP engines with or without joystick, the 330 Vantage delivers excellent performance and predictable handling. Whether you're navigating rough offshore seas or cruising inshore, this boat provides a smooth and stable ride.

5

CUSTOMIZATIONS

The 330 Vantage can be tailored to your specific needs with various engine, electronics and aesthetic upgrades. This allows you to create a boat that perfectly matches your preferences and lifestyle.
